

# ***TACD MEMBERS ONLY NIGHT***

As a member of the Toronto Academy of Cosmetic Dentistry,  
you are cordially invited to attend the TACD's  
Annual Members Only Dinner and Evening Presentation, as our guest.

**Date: Tuesday, March 6th, 2012**

**Time: 6:30 PM Registration followed by Dinner and Presentation**

**Place: Le Parc Convention Centre  
8432 Leslie Street  
Thornhill, Ontario  
(Highway 7, just west of Leslie Street)**

**The TACD presents:**

***“Raising the Bar with the Dental Operating Microscope.”***

By Dr. Yves Sitbon

In this lecture, the importance of using magnification in association with shadow free lighting will be emphasized. Basic concepts of vision and magnification applicable to dental microscopy will be presented. Through clinical examples, the participants will discover how the Dental Operating Microscope (DOM) can enhance the quality of care while elevating the predictability and longevity of esthetic outcomes. Participants will also learn how to improve posture through the use of the DOM and increase chair side efficiency. Demonstration of the powerful capabilities of modern DOM will be presented highlighting the ease with which clinicians can document exquisite details intra-orally using still high definition images and/or video.

In order to reserve a spot for this special event,  
this form must be filled out and mailed to the TACD office  
along with a deposit cheque of \$95.00 (per person) made out the TACD.

This cheque **will be returned to you in your registration package at LeParc.**  
Cheques will ***only be cashed in the event of a no-show or cancellation that is  
less than 48 hours before the event.***

**Dietary Options:    Meat    Fish    Vegetarian (please circle your choice)**

**Please RSVP BEFORE March 1st, 2012**
